

Your Partner in PUBLIC SAFETY

Dedicated to providing quality certification programs for the safe installation, operation and maintenance of public safety systems; delivering value for members by providing the latest information and education in the industry.

IMSA Certification Program Request

As training budgets continue to remain tight, the Michigan Section IMSA has taken steps to reduce overall cost by offering certification programs at your location. To accomplish this, basic information is needed to facilitate planning and scheduling. Offering training at your facility will reduce cost and, if neighboring agencies participated, could reduce cost further.

Please supply the following information. We will contact you contacted to discuss your specific interest.

We are interested in IMSA Certification / Re-certification as indicated below.

Agency _____ Name _____

Email _____

Phone _____ Fax _____
