

Your Partner in PUBLIC SAFETY

Dedicated to providing quality certification programs for the safe installation, operation and maintenance of public safety systems; delivering value for members by providing the latest information and education in the industry.

Michigan Temporary Traffic Control Certification Training

The MMTC certification program is designed for persons who will be assigned Traffic Regulator duties, lead workers, supervisors that will install and review traffic regulator operations and engineering staff that will develop temporary traffic control. This program is designed to exceed the Michigan DOT requirements to be a Traffic Regulator. MTTC deals specifically with the requirements of the 2009 Manual on Uniform Traffic Control Devices, Part 6, the MMUTCD and the authority, obligation and training of Traffic Regulators. The MTTC program promotes the proper use of traffic control devices, traffic control procedures, MiOSHA requirements, safety apparel and general traffic safety. This program highlights requirements for signing, special Traffic Regulator operations, including single and intermediate Traffic Regulator, Haul Road operations and the use of police officers.

Employers are responsible for properly training employees in the installation, inspection, operation and maintenance of temporary traffic control devices. This one-day program, divided into ten segments, incorporates a post-training quiz following each segment. Upon conclusion of MTTC, participants should be prepared for the 100 multiple choice question certification examination. 70% is required to successfully pass.

- Date** April 2, 2015 8:00 am - 5:00 pm Course material and exam
- Location** **IBEW Local 17**, 17000 W. 12 Mile Road, Southfield, MI 48076 (248 423-4540 x15)
- Instructor** Mr. Bill Jackson, Road Commission for Oakland County – IMSA Certified Moderator
- Cost** Certification: \$270.00 Audit or Re-Certification: \$180.00 (no exam)
- Registration** Download Master Registration form directly from www.ImsaMichigan.org. The *Work Experience Verification Form* must be attached with your reservation.
- Study Guide** Study guides are printed on demand and must be ordered 30 days in advance directly from the International office @ 800 723-4672.
- Meals/Lodging** Breaks and lunch are included. Lodging is not provided.
- Time** The course will start promptly as scheduled. Please be on time.
- Prerequisite** This is the first required step for all subsequent IMSA *Certification* training. MTTC requires one (1) year road work experience including traffic regulating and successful passing of the course before certification can be issued. However, you do *not* need one year experience to participate in the course. Please visit our website (www.ImsaMichigan.org) for additional certification details.
- Work Experience Verification Form** This form *must* accompany your course registration. Download from our website under Certification > Master Reservation Form.
- Study Guide** It is highly recommended to order the study guide as soon as possible. Previewing course material and chapter quizzes will have a positive impact on your success when taking the exam.
- Questions** Please contact Tim DeWitt/Carrier & Gable @ 586 929-3309.
